# The Spalding Tubular Steel Racing Skate

Not an Experiment, but a Racing Skate that is used by the Champion Speed Skaters in all their races

The records made during the past three seasons by racing men wearing Spalding Tubular Racing Skates attest their good qualities in terms stronger than any words of ours could do, but, knowing the great care that has been used in bringing these skates to their present state of perfection, we think it well to reiterate the promise of absolute satisfaction which we made to the purchaser of the first pair of these skates we made up, and to-day we can do this with even greater confidence than we could then, because of the satisfactory manner in which they have stood up under the most trying conditions.

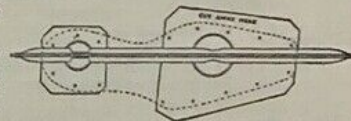

### Some Good Points About the Spalding Tubular Steel Racing Skate

Very light weight, all tubular steel construction. Every joint well reinforced, making it the strongest racing skate manufactured. Blades made of chrome nickel steel, hardened and drawn, tapered from 1-16 inch at the toe to 1-32 inch at the heel. Toe and heel plates are made of the best, partly hardened steel, left full size, so that they can be cut to fit shoe. Made in two lengths of blade (14<sup>3</sup>/<sub>4</sub> to 15<sup>3</sup>/<sub>4</sub> inches), and foot plates arranged to suit small, medium, and large size shoes. It is well to specify size of shoe worn when ordering, also length of blade required. These skates are built for use with light racing shoes. Our guarantee will not cover if heavy hockey or skating shoes are used.

The Spalding Tubular Steel Racing Skate. . . . Per pair, \$6.00

### Directions for Attaching the Spalding Tubular Racing Skates to Racing Shoes

The foot-plate of this racing skate is made broad so that it will fit any racing shoe. Never attempt to attach to a hockey shoe or a shoe having a heel, as this skate is provided with a high rear cup to take the place of the heel of the shoe.

Place the shoe in position on top of the foot-plate and mark with a pencil or awl around the sole and heel of the shoe, as indicated by dotted lines in the above cut. Next with a pair of shears cut off unnecessary width and length of plates, following outline made of shoe.

To fasten, make ten small holes in the toe plate and six in the heel plate with a punch or an awl, being careful to make these holes well toward the center, away from the upper and seams.

Then insert rivets furnished with each pair of skates from either side, and after placing washers on them head over smoothly.

# Spalding Skating Shoes

These three shoes are all really PERFECT skating shoes. No. 336 is used by the people whose names do not appear in the papers but who know how to skate, and know, furthermore, what is necessary in a proper skating shoe. This style is also used by some of the most prominent hockey players, as is also the No. 334 shoe. It is not necessary to say much about No. 337, for this shoe is worn by every prominent speed skater without exception.

**No. 336. "Special" Skating Shoe.** Material is of the best quality calfskin, made to lace extra low at toe, and is specially reinforced inside over ankle, doing away altogether with cumbersome straps, but at the same time giving needed support where most required by skaters; has full heel and leather lined tongue. Per pair, \$6.00

**No. 337. "Expert" Racing Shoe.** Finest quality material throughout and extremely light in weight; reinforced inside over ankles; leather very soft and easy; lacing extremely far down; very light sole. Per pair, \$5.00

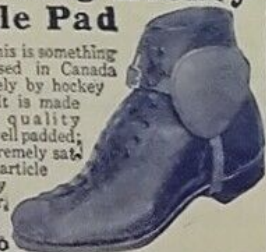

**No. 334. Hockey Shoe.** Very well made, with strap supports across ankle outside; leather lined tongue, lacing far down, and neat toe; full heel. A very good shoe at a moderate price. Per pair, \$5.00

See next page for other Hockey, Racing and Skating Shoes.

## Spalding Hockey Ankle Pad

**No. O.** This is something that is used in Canada very largely by hockey players. It is made of good quality leather, well padded; is an extremely satisfactory article in every particular.

Per pair, \$1.00

## The Hackey Patent Ankle Supporter

Patented May 17, 1907. A. G. Spalding & Bros., Sole Licensees.

Worn over or under stocking and support the ankle admirably, while not interfering in any way with free movements. Relieve pain immediately and cure a sprain in a remarkably short time. In ordering, give size of shoe worn.

**No. H.** Made of soft tanned leather, best quality. Pair, \$1.00  
**No. SH.** Good quality sheepskin, lined, bound and reinforced. Per pair, 50c.  
**No. CH.** Black duck, lined and bound. Per pair, 25c.

# Skating and Hockey Shoes

**No. 335. Patent Hockey Shoe.** Made after the design of a prominent Canadian hockey player and admirably supplies the demand for a shoe made specially for this game, the tongue being padded so that it acts as a positive protection, and an additional support is supplied by the double lacing; the ankles are reinforced. Material is fine quality calfskin, machine sewed; full heel, good oak sole and box toe; webbing reinforce inside. Pair, \$4.50.

**No. 338. Racing Shoe.** We have gotten this out as a racing shoe at a moderate price. Made after the design of our higher priced shoes, only differing in quality of material and construction. Light in weight; well and substantially made. Per pair, \$3.50

**No. 332. Skating Shoe.** Made of good quality calfskin, machine sewed. Has strap support over ankle outside; full heel. A substantial shoe. \$3.50

See previous page for other styles of men's skating, hockey and racing shoes.

## LADIES' SKATING SHOES

These shoes are built as an athletic shoe should be, and the principles entering into their construction are the same as those which have made our men's skating shoes so popular. They will be found absolutely first-class in material, workmanship and design, are made of finest quality calfskin on special lasts, are trim and neat in appearance and will give excellent satisfaction.

**No. 360. Ladies' Skating Shoe.** Best quality, and equipped with Spalding Steel Ankle Brace. This is inserted in shoe so as not to interfere in the slightest with free movements, but to give ample support to ankle. Per pair, \$6.00

**No. 350. Ladies' Skating Shoe.** Very finest quality leather, nice and pliable. Reinforced with webbing inside to give support over ankle and at top, lacing extremely far down; full heel; neat toe, medium broad; good oak sole. \$5.00

**No. 340. Special Ladies' Racing Shoe.** Extremely light in weight, but well and strongly made; has webbing reinforce over ankle and leather lined tongue. Lacing extremely far down and very neat toe; very light flat sole. Pair, \$5.00

No. 13. The Spalding Official Trade-Mark Puck has been adopted as the official puck of "The Canadian Amateur Hockey League," composed of the following world-famed teams: Montreal, Shamrock, Quebec, Victoria and Westmount. Each, 50c.

See that our Trade-Mark appears on Puck itself before using.

No. 15. The Spalding "Practice" Puck is regulation size and really better than the so-called official pucks turned out by other manufacturers. Each, 25c.

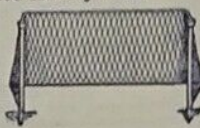

Extract from Official Rules of the Canadian Amateur Hockey League.  
 Sec. 13. The Spalding Hockey Puck, the Official puck of the League, must be used in all match games.

### Regulation Ice Hockey Goals

The importance of having goals that are substantially made and which conform exactly to the rules cannot be disregarded. Those that we furnish are duplicates of those used in the best rinks in Canada.

Per pair, \$12.00

### Spalding Hockey Gloves

No. K. The only really perfect hockey glove ever made, giving ample protection to all bones and joints in the players' hand, at the same time being extremely light and comfortable to wear. Made of brown leather, with pliable ventilated palm. Pair, \$3.50

No. L. Unpadded drab buckskin gauntlet glove. Made extra long and a very popular style. \$2.50

# The Spalding Tubular Steel Hockey Skate

MADE in exactly the same way as our Tubular Racing Skate. Strongly built but light in weight; all joints strongly reinforced. Blades made of chrome nickel steel, hardened and drawn, with edge 3-32 inch in width. Toe and heel plates are made with holes drilled so that skates may be fastened to shoes, and the plates are shaped. Sizes, 9 $\frac{1}{2}$ , 10, 10 $\frac{1}{2}$ , 11, 11 $\frac{1}{2}$  inches, corresponding to same sizes in regular skates.

The Spalding Tubular Steel Hockey Skate. Per pair, \$5.00

# The Spalding Automobile Hockey Skate

Patented August 1, 1905

MADE WITH ALUMINUM TOP  
An Improved Hockey Skate from Canada, the Land of Hockey

THIS skate is made with the regulation three-ply steel blade, but the top is of aluminum, making the weight much less than the ordinary all-steel hockey skate, but at the same time, taking nothing away from the strength and durability. Some of the best hockey players in Canada are using this style skate.

No. BL. For Men. Sizes, 9 $\frac{1}{2}$ , 10, 10 $\frac{1}{2}$ , 11, 11 $\frac{1}{2}$ , 12 inches. Per pair, \$5.00  
No. BL. For Ladies. Sizes, 8 $\frac{1}{2}$ , 9, 9 $\frac{1}{2}$ , 10, 10 $\frac{1}{2}$  inches. " 5.00

# Peck & Snyder's Ice Skates

YOU don't have to take anything for granted when you purchase a pair of Peck & Snyder ice skates. Their reputation has been gained after a career of forty years, and it is not a thing of simply a month or a year. Absolute honesty in manufacture has kept Peck & Snyder Skates to the front since the first pair was made, and no change will be made in this policy while Peck & Snyder Skates are continued on the market.

Peck & Snyder's  
"CHAMPIONSHIP"

ROLLER SKATES

ROLLER SKATES

Refer to next page for Rink Skates

We do not recommend adjustable skates for rink use. They are built for ordinary sidewalk skating by people who care for their own skates, and the adjustable feature which makes them particularly desirable for such use renders them undesirable for the hard wear and rough handling to which skates are ordinarily subjected in a public rink.

## The SPALDING "HIGHEST QUALITY" SWEATERS

We allow four inches for stretch in all our sweaters, and sizes are marked accordingly. It is suggested, however, that for very heavy men a size about two inches larger than coat measurement be ordered to insure a comfortable fit.

Made of the very finest Australian lambs' wool, and exceedingly soft and pleasant to wear. They are full fashioned to body and arms and without seams of any kind. The various grades in our "Highest Quality" Sweaters are identical in quality and finish, the difference in price being due entirely to variations in-weight.

Our No. AA Sweaters are considerably heavier than the heaviest sweaters ever knitted and cannot be furnished by any other maker, as we have exclusive control of this special weight.

Colors: White, Navy Blue, Black, Gray, Maroon and Cardinal. Other colors to order. Prices on application. All made with 9-inch collars; sizes, 28 to 44 inches.

No. AA. Particularly suitable for foot ball and skating. Heaviest sweater made. Each, \$8.00  
 No. A. "Intercolligate," special weight. \$6.00 | No. B. Heavy weight. Each, 5.00

### Striped Sweaters

Same quality as our No. B. Sizes, 32 to 42 inches. Colors: Red and Black; Navy and Red; Orange and Black; Navy and White. Stripes 2 inches wide.

No. BS. Each, \$6.00

Any other combinations of colors to order only at an advanced price.

No. BS

### Shaker Sweaters

We introduced this sweater to fill a demand for as heavy a weight as our "Highest Quality" grade, but at a lower price, and after much experimenting, we are in a position to offer it in the following colors only: Black, Navy Blue, Maroon, Gray or White. Sizes, 30 to 44 inches.

No. 3. Standard weight. Each, \$3.50

No. 3

### Striped Sweaters

No. 3S. Same quality as No. 3. Sizes, 32 to 42. Stripes 2 inches wide in following combinations of colors: Red and Black; Navy and Red; Orange and Black; Navy and White. Each, \$4.00

No. BRC

### Boys' Jacket Sweater

No. BRC. Boys' Jacket Sweater. This is an all wool jacket sweater, with pearl buttons; furnished in Gray only. A very well made and attractive article. Each, \$2.50

SPECIAL NOTICE—We will furnish any of the above solid color sweaters with one color body and another color (not striped) collar and cuffs in stock colors only at no extra charge. This does not apply to the No. BRC Sweater.
